Notice of product name change

Dear Valued Customer,

Thank you for your continued investment in our products. At this time, GORYO Chemical, Inc. intends to provide a more comprehensive product list, as we reorganize the product groups and change the product names. Although changes were made for the series names and product names, there is not a change in CAT. No. or the product content, etc. In addition, we have changed packaging from 5 mg x 1 vial to 1 mg x 5 vials. There is no change in price or total product content. Applicable products are referenced in the attached table.

We apologize for this inconvenience and appreciate for your business. We will continue to develop high quality products into the future.

If you have any questions, please contact us at info@goryochemical.com

Best regards,

GORYO Chemical, Inc.
Business Development Division
